Assessor Comments	Lovely quality draft of 264 steers in a tight weight bracket of 300-380 kg to be sold as 3 even runs of 88, these steers were weaned early from vendors northern property and have been in containment since, these steers have done extremely well and with all the hard work done should continue to do well for prospective purchaser. The "Yammatree" cattle have a great reputation with many feedlots and we have had great feedback from past purchasers.
