	Heifers were a pleasure to handle. Happy to have a stranger walk through them in a pen. All but 2 walked out of weigh box slowly and calmly. Excellent temperament.

Assessor Comments	Excellent quality Limousin yearling heifers. Bred on pure Donna Valley blood, these heifers present in store condition with plenty of frame. Would make ideal trade heifer for the winter market or take on as future breeders. Hard article to find, yard weaned, great temperament. These heifers carry some of the best Limousin genetics from a long established name in the breed. These heifers display all the best attributes for the breed with excellent structure and butt shape and often enjoy support from repeat buyers.
