Handled With	These steers could be handled by any level of experience with confidence and safety Bikes , On foot , Vehicles
Notable Traits	Traits 1 Head White on the pizzle
Assessor Comments	Significant opportunity to secure a superior line of one mark vendor bred cattle that are fresh and have all the breeding behind them with sires and dams sought from the leading genetics of Team TeMania and Table Top Angus. Vendor has carefully selected for IMF, EMA, 400 and 600 day ebv's from as far away as Walgett to Western Victoria to go into the program with the benefits to be reaped by the successful purchaser. Cattle are fully weaned, quiet and well educated. Of the steers in the group, a small tail was drafted out due to how even the line was with this being a testament to attention to detail on sire selection and dams purchased/retained. An article that will do and ideal to lock away now with the frame and capacity to produce results in the future.
