Assessor Comments	An outstanding run of the Wilson Family Hereford steer weaners. The Wilson family have been using Yarram Park blood					

bulls for a number of years and recently introducing a few Bra Ma blood sires to the herd. These steers show plenty of stretch and bone after having a long weaning these steers are ready to explode given the right conditions . Steers are Grass Fed only Antibiotic free and you wont be disappointed in purchasing these steers and come with my highest recommendations. Please not vender has another lot of heifers in this sale
