Assessor Comments	A Neat run of surplus heifers offered by the Wilson family . The Wilson family have been using Yarram Park blood bulls for a number of years and recently introducing a few Bra Ma blood sires to the herd. These heifers show plenty of stretch and bone after having a long weaning these heifers are ready to explode given the right conditions ready to join to a bull of your choice or fatten for a later winter kill job . Heifers are Grass Fed only Antibiotic free . You wont be disappointed in purchasing these heifers and come with my highest recommendations. Please not vender has another lot of steers in this sale
