Vendor Comments

A great chance to secure Speckle Park steers that have performed very well for previous buyers.

Temperament	Quality Grades		Store Condition	
	Very Good	100%	Fwd Store	100%

	Excellent temperament, calves didn't rush any gates or play up in the crush. They did move freely around the large holding yard but generally a pleasure to handle.

Assessor Comments	A great opportunity to fill that front paddock! These steers are very well bred and weaned since January. Up to date with vaccination and drench means there's nothing more to do but wait for the rain and watch them grow.
