Assessor Comments	On offer is a very well bred line of Braford heifers, showing very good weight for age, length and depth of body. These heifer have been bred from bulls that have been selected for their high 400 & 600 day weights and also high IMF data. Hereford bulls have been purchased from Binara, Merawah, Tenaru and Devon Court Herefords, Winvic Braford sires are bred from Carinya, Baroma Downs and Ascot bloodlines. Heifers would be ideal replacements to breed on in to the future or should perform highly within a feedlot situation. please note there is one heifer with a slight blue eye, not detrimental in assessors mind, also one brindle and one tan coloured heifers within the mob. Don't miss this opportunity to secure a very well bred line of heifers that are bred to perform.
