Heifers were very quiet in yards. On releasing from crush 1 heifer did want to run around and didn't settle. Vendor has not seen that behaviour from this heifer previously.

| Assessor Comments | A good line of Speckle Park Heifers. Unjoined Heifers not as well grown as usual due to a very dry time in early stages. Doing well now. Excellent temperament expect 1 heifer that did want to run about in yards which the vendor has never seen previously. These heifers would be ideal for smaller landowner or anyone wanting to breed on from them. |
