Assessor Comments	Buyers a great opportunity to secure a VGQ 2 deck line of EU Vendor bred weaned strs. Steers are out of large framed Ultrablack ,Santa and Charolais cross cows sired by Clunie Range Angus, Palgrove Ultrablack and Cree Santa Stud Bulls. These steers stand on good bone and show the depth and length that has allowed them to achieve very good weight for age. All the hard work has been done, weaned and educated and taken through Winter ready to power ahead on Spring feed. Ideally suited to take through to the lucrative EU grass Bullock and would suit all other pasture fed programs as have never had HGP, antibiotics or grain. Please note 1 steer had slight blue scarring in one eye and some showed signs of lice rub marks around tail neither considered detrimental.
