Assessor Comments	A line of 20 good quality predominately Speckle Park cross yearling steers presenting in healthy store to forward condition that have an estimated averaged delivery weight of 310kg. Steers have been on oats for 7 weeks and are just hitting their straps and would be ideal to feed for the domestic feeder market or take out to heavy feeders or fatten on oats. Please note; Steers have rub marks from having lice but were treated on the 10/8. Contact agent regarding delivery dates. Same vendor has another lot in this sale.
