Vendor Comments

These steers have been bred with quality over quality to produce a high performing animal to suit any buyers requirement.

Temperament	Quality Grades		
	Excellent	100%	
	Yards	Crush	Paddock

	Docile: 3 head Quiet: 13 head Slightly Stirry: 3 head Stirry: 1 head Docile: 3 head Quiet: 13 head Slightly Stirry: 3 head Stirry: 1 head Temperament not assessed in Paddock A good line of steers to work with. Only a few became agitated when pressure put on in forcing yard and race. One steer was stirrier than the others and often hiding at back of mob with head up watching. This steers was also more agitated in crush. (this was the only stirry one in mob and was out of the ordinary compared to the other steers)
Handled With	Bikes , On foot
Assessor Comments	An exceptionally well bred line of quality Angus steers ready to finish on grass or feedlot. These steers are extremely soft, easy doing with plenty of weight for age and with plenty of carcass shape. These steers are predominately out of AI sired cows that are directly by or descendants of TeMania Emperor, Millah Murrah Clooney, Clunie Range Jedi & Gilmandyke Reality and sired by top end Noonee & TeMania bloodline bulls. Since their last weigh in these steers have been averaging 2.3kg/day on improved pastures with no suppliments. These steers have been given every chance throughout their lives so that they have the best chance to perform not only at finishing stage but also when at the final stage as a high indexing carcass.
