Assessor Comments	An Outstanding line of Vendor Breed Angus x Angus weaned heifers, breed in the cold country and have been weaned for over three months. Heifers are proving performers year in year out maturing into good framed heifers with everything you want in a female. Opportunity to secure some front paddock heifers and take them home to the bull of your choice. All heifers are Lawson blood and were a pleasure to work with in the yards, they are certainly an opportunity not to be missed.
