Assessor Comments The vendor has been breeding quality Angus cattle for a lifetime and has been using Rennylea Angus bulls for the past 30

	years. These cattle are bred out of a closed herd with mothers being medium to large frame cows. These steers have had repeat buyers in the past and are bred to perform. These cattle are showing good frame, ready to put on weight given the right opportunity. They would suit a buyer looking to take on for a feedlot, trade or export markets.
