Assessor Comments	The Falls pastoral offering a line of Aug/Sep 23drop Purebred Wagyu females. These females present in good forward store condition and are poised well for the prospective buyer to take into a feedlot program or into breeding. Hybrid vigour still present in these heifers, whilst being registered Purebreds (see attached esbv) they present good softness off grass. Well back they were bred from a premier Angus herd. The Wagyu presence, the more prominent bloodline used include (Blackmore, Peppermill Grove, Moyhu, Shadi Farm) to name a few.
