Assessor Comments	A good line of 35 Angus heifers in strong store condition 223kg off the scales with good frame and stretch. These heifers are good types that will grow onto feeder weight cattle or perfect girls to take through to a bull as future breeders. These calves have come through a tight summer and late start to winter for yard weaning but with feed they should stack the weight on with ease making them great buying. Calves were treated for lice 4 weeks ago but have rubbed a bit more since, sign of the season this year only. ***34 STEERS FROM SAME MOB OFFERED IN THIS SALE***
