| Assessor Comments                         | Acc TG Bullen Nom. 56Weaned Heifers, weighed 320kg + at assesment. This is the Top line, best line of weaner heifers. They have good structure in fresh Foward store condition. "EU", "PCAS" and "MSA" accreditations recently Drenched and booster vaccinated. They would be a good addition to any breeding Herd. There are 2 animals that have a very noticeable rub area on shoulder or rump and there is a % of animals that have a small patch of hair loss on the front shoulder ,Not detrimental. |                                     |       |                 |         |                                           |                                           |                                     |      |           |      |   |     |  |  |  |  |   |     |
