Assessor Comments	Buyers On offer, 51 x 51 Very good Quality Brangus cows and calves. This is a great opportunity to secure a line of functional & Fertile breeders with an exceptional drop of even calves at foot. The calves have all been born in a 7-week window and are sired by homozygous poll, homozygous black, Simmental bull purchased from the Elite Simmental Stud. This single sire 8 week joining achieved a 98% calving rate in a below average season. The cows flowed through the yard well at assessment and are easy to handle in the paddock. These Units come highly recommended and will not disappoint. Buyers, please note one cow has only half a tail. not deemed an issue.
