Assessor Comments	These Stud bred heifers represent a great opportunity to secure a small mob of very well bred Murray Grey females. The vendors say they are able to be registered, and Pedigrees are available. The cattle would be a great addition to an existing herd or a wonderful start to a new breeding group. Well grown, ready to join, and easy to handle the heifers are ready to go on and breed top end Murray Grey or Cross cattle. The vendors are very committed to the breed, and are well versed in all the past breeding right back to the origins on the banks of the Murray River.
