Assessor Comments	Offering 5 Angus Heifers and calves from WJ Allen of Markwood. Heifers were purchased as yearling heifers out of the Wangaratta January Store Cattle Sale in 2023 and came from Lurg. Heifers were a February March 2022 drop and were sired by Jade Park bulls with owners using Jade Park bulls for the past 8 years. The heifers were joined to a Clunie Plantation Bull and the majority of the calves being 6-8 weeks old with 1 calf at 3 weeks old. With the spring ahead of us, these big bodied, medium to large framed heifers show the potential to explode if given a drench and shown the right opportunity to do so. Heifers are not rejoined so would be ideal to incorporate into an existing breeding program and join to a bull of your choice. Please see photos for full satisfaction.
