	Very well mannered young females. Extremely quiet to handle in and around the yards. Stood like lambs in the crush, and all exited at a steady walk. One heifer was just a bit anxious in the paddock after weighing, wanting to stand at the gate and get back out into her paddock.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	Very nice line of medium framed females that have been doing it tough, on the side of a hilly bush block, with only short, Wintery native pastures to graze. Still, carrying a big tank of milk underneath & doing an excellent job with their poddies. All calves are looking bright eyed, fresh in the coat and well looked after by their first time mum's. These are a very nice line of Heifers that have had the hard work done & have the concerns of maiden calving behind them. Ready to take home and be appreciated in the front paddock of a smaller scale operation or hobby farm. Buyers please Note. Vendor is down sizing numbers due to the sale of a paddock, and is offering another lot of Cows & calves in the same sale, as well as 2 lines of steers in the Weaner & yearling sale.
