Assessor Comments	A line of quality Droughtmaster/Brangus/Santa cross heifers that present NDP in store condition and on the improve. The heifers in this lot all display the desired characteristics that would make them ideal heifers to feed, spay or even background out to heavier feeder weights to meet domestic markets. These heifers are all good to handle through the yards during the drafting and assessing process with little to no fuss. These cattle are all back by a reputation of performance and the Hall family cattle are often purchased by repeat buyers, with that in mind the successful purchaser will be able to buy with confidence knowing they are acquiring a quality product. Please not this vendor has another line of heifers in the same sale.
