Assessor Comments	Buyers, on offer 63 VB VGQ Angus x Angus steers. September - November 2023 drop. Weighing 247 - 348 kgs to ave 312.4 kgs at assessment. Steers are out of medium to large framed, easy doing Kilburnie blood Angus heifers, sired by VGQ Kilburnie Angus bulls. Presenting in forward store condition, steers are ready to pack the weight on with good frame grown over the winter. Steers would be ideal to take home put onto grass or crop and take though to feeders or even the grass kill markets. Steers temperament needs to be noted in this assessment with steers being exceptional to work in and around cattle yards.
