| Assessor Comments  | A very good line of Angus x Angus Feeder steers, they are well grown and gaining 1.53kg/day as recorded off the Gallagher scales. They are very quiet and well handled with vehicles, dogs and horses. They are the tops of the annual drop of the Tollua herd, which have a great reputation of cattle that perform well on grass and moreover in the feedlot. Treated with a **BOVILIS MH + IBR** at assessment. All have had 2 shots of 7 in 1 plus 3 doses of Multimin. GRASS FED ANTIBIOTIC FREE |                 |                 |              |
