Assessor Comments	Excellent quality draft of heifers which were all weighed above 340 kg and have had a tail removed from them, there is a total of 148 in the draft to be sold as two even runs out the gate of 74 . These heifers would be a great opportunity for someone to take away and put into their Angus breeding herd as a herd start up or as additional breeders. These heifers are not overdone with condition and will put on a lot of weight quickly if shown the right feed. The Milong cattle are noted by previous purchasers as doing very well and this consignment should prove to do the same. Very good quality cattle that should suit the most discerning Angus breeder.
