Assessor Comments	18 well bred Angus heifers, weaned and ready to go forward on quality feed or join in the late spring. Heifers were purchased on cows ex Marulan district in two lots all sired by Bongongo Bulls ex quality medium frame females featuring Rennylea and Hazeldene bloodlines. Heifers are weaned since late May and have been gaining weight ever since. Good quiet black heifers that would be ideal for joining or easily make domestic weight on spring grass.
