Assessor Comments	Good line of 26 Angus heifers by Tulagi Angus bulls. These heifers are well weaned and are all frame. Ideal condition to buy heifers in with all frame and can only go 1 way. They have been running at Benalla on vendors 2nd farm but havent had luxury of ample feed. Have been brought home and drenched Im sure shown some feed will really bounce away. These are quiet heifers with age and frame. Note same vendor has 15 cows and calves in Eastern sale.
