Assessor Comments	A excellent opportunity to secure a great draft of September/ October drop Angus weaner steers showing plenty of scope.These steers are very well breed and have plenty of frame and are in true store condition. There is no doubt they would excel in the coming months and reach feeder weight or heavy bullocks. Banquet, Te mania and Lawson blood. 250-358kg and average 290kg full @ assessment . One steer has slight pink eye scarring in one eye and 4 steers have slight ring worm. Please note steers are at 2 different properties and will be delivered to Laidlaw's road property prior to delivery. Vendor is offering 49 heifers in same sale.
