Assessor Comments	A excellent opportunity to secure a great draft of September/ October drop Angus weaner heifers showing plenty of scope.These heifers are very well breed and have plenty of frame and are in store condition. There is no doubt these heifers would make great future breeders and perform for years or alternatively be backgrounded for the feeders or trade. These are a complete drop with a small tail removed. Banquet, Te mania and Lawson blood. 241-326kg and average 282kg full @ assessment. There is 10-12 heifers with slight ring worm. Please note heifers are at 2 different properties and will be delivered to Laidlaw's road property prior to delivery. Vendor is offering 54 steers in same sale.
