Assessor Comments	37 Al'ed Angus Heifers. A beautiful even draft of Te Mania and Banquet Blood Angus Heifers. These heifers are showing a mile of breeding in them with a very nice even type with good barrel, length and good bone. Heifers that will develop into very nice matrons of the future. Heifers Al'ed on the 22/5/24 to Te Mania Nolan VTMN1423 for a Late Feb Calving. Heifers have had very good handling, moving through the yards with ease and no fuss marking the assessment a breeze. Heifers have had all animal health treatments thrown at them. Heifers that will not disappoint and would be a real asset to any Angus breeding herd!
