Assessor Comments	30 PTIC Angus Heifers. A beautiful even draft of Te Mania and Banquet Blood Angus Heifers. These heifers are showing a mile of breeding in them with a very nice even type with good barrel, length and good bone. Heifers that will develop into very nice matrons of the future. Heifers joined on the 12/6/24 to 17/7/24, LBW Te Mania S1614 and Te Mania S1088 March to April Calving. Heifers have had very good handling, moving through the yards with ease and no fuss marking the assessment a breeze. Heifers have had all animal health treatments thrown at them. Heifers that will not disappoint and would be a real asset to any Angus breeding herd!
