Assessor Comments	13 x 13 Angus heifers. PTIC with their first calf at foot. Heifers were purchased at Wangaratta feature weaner sale with the intention of retaining in herd however an extremely tough Autumn & winter period has brought them to the market. Bred and selectively purchased by three of the leading Angus breeders in the district, these heifers carry their first calf at foot by Alpine Angus Jackpot R414, and all hold a positive pregnancy text to Alpine Angus Muzza T461. Heifers have done a good job keeping their calves fresh during a tough winter, and present in store to forward store condition themselves. Well bred 3in1 units with all their best years ahead of them.
