Assessor Comments

Quality Angus Female Opportunity to purchase HBR Angus Breeder. Follow link in breeding for pedigree and ebv's. King Isle Farms offers up the opportunity to put together a group of females from the core of its herd. King Isle Farms operates as a Co Operator herd for Lawsons Angus hence females are registered under 'VLY' prefix and all offspring are fully registrable. They are very consistent for type and display excellent shape and muscle for females. They are classed in breeders only being sold due to letting go of two lease blocks. Note: See video
