Heifers were excellent to handle at assessment. Flowed well through the race and crush system with very minimal fuss. Were also very good to handle in the back yards and through the pound draft with only the odd steer becoming agitated under pressure.

Handled With: Bikes , Dogs , Horses , Vehicles

Assessor Comments: Buyers, on offer, two decks of light weight fully weaned, very good quality Angus infused weaner heifers. Heifers show all the attributes to grow out to be very good quality feeders or breeders. These Heifers present in the right condition to power ahead given the opportunity.
