Assessor Comments: Here is an opportunity for someone to take home a line of outstanding future EU Accredited Hereford breeders that will certainly warrant front paddock status. Heifers like these this don't come along very often by some of the leading Australian Hereford sires in the country. These heifers are straight out of the Talbalba stud herd excess to requirements. Talbalba is Queensland's premier Hereford stud and has achieved record annual bull sale results over the past few years with bulls selling for over $100,000. There recent annual bull sale results in August 2024 average $14,666.
