Assessor Comments	Buyers a good line of Angus and Angus cross steers which have had a start on oats and would be an ideal article to take through to feeder weights or an MSA or grass fed kill job. Steers show good length, bone and softness throughout. This is the lead draft of vendors weaner Steers. Cattle are starting to clean up in their coats and are really on the do, Given the opportunity cattle should put weight on quickly. Please note vendor has Heifer portion in the same sale.
