Handled With	A very quiet line of weaned heifers to handle. Bikes , On foot , Vehicles
Assessor Comments	A very good quality line of heifers sired by the Hollywood Angus bull, out of large framed Narranmore Angus blood cows. They are very well grown for their age, exhibiting the length and thickness to indicate plenty of potential for the future. These soft young calves have been weaned, and well educated, they are very quiet to handle. They have done very well since weaning and present for sale in very good condition to take on to heavier weights, or as future breeders. Buyers please note, 1 heifer has old pink eye scaring in 1 eye, deemed not detrimental. 4 heifers noted with white on the udder, all within breed specification.
