Quiet line of young steers to handle. A few steers were a bit nervous about walking in to the race, at which point the prodder was brought out, despite getting a ‘few volts of encouragement’ they never stirred up, just jumped forward then walked in to the crush, stood, then walked out, all very sensibly. Easy to draft and move between pens, all walked out

	quietly and stood in a small holding yard for photos.
Handled With	Bikes , Dogs , On foot , Vehicles

Notable Traits		
		Traits
	1 Head	Minor eye blemish
	3 Head	Small Warts
	2 Head	White on the navel
	2 Head	WHite splash on flank

Assessor Comments	Healthy line of young Rennylea/Dunoon Angus Blood Steers to take on. Big boned, high growthing type steers that will carry a lot of weight and make a cracking feeder or bullock. Steers with an easy muscling, soft style about them that present in fresh 2 score condition will be early finishing bodies.
