Assessor Comments	Well bred yard weaned EU Accredited steers showing plenty of frame presenting in store condition after a tight winter and ready to explode once shown some quality feed. Bred out of large framed roomy females with decades of Reiland Angus genetics in these boys with bulls sourced annually at the very top end of the catalogue. Some rubbing noticed on a handful of steers and any eye scars deemed as minor blemishes. Steers carry Greenham Never Ever and PCAS grass declarations at buyers request. Great opportunity to buy quality lightweight calves with all the potential in the world and located 2km off the Hume Highway.
