Assessor Comments	Phil & Gwen Lavis offer 34 one mark Angus heifers. These heifers display frame & stretch, and present in store / forward store condition, Dunoon Angus blood. Heifers were individually assessed & weighed, ranging from 249-345 KG after an overnight curfew. Great opportunity to purchase an even line of weaned, well bred heifers that given the right opportunity will perform very well. Every year these cattle improve with the vendor sourcing high quality Angus bulls, focusing on temperament. Tail draft has been removed. Please Note: Vendor is offering 34 steers in the same sale.
