Temperament

Quiet: 10 head	Quiet: 10 head	Temperament not assessed in Paddock

	Well mannered heifers that moved though the yards well and stood on the portable scales. The heifers were well handled at weaning and any stirry cows have always been removed from the herd.
Handled With	Bikes , On foot , Vehicles
Assessor Comments	A nice line of commercial Poll Hereford heifers that have had a small tail removed. Surplus to the vendors requirements as they are focusing on the stud portion of the herd. These heifers would make very good breeders in the future or grow out to heavy export weights.
