Assessor Comments	75 light weight Angus steers that carry a stack of breeding! Originally purchased from one of the Western District's top herds, "Ardonachie', for a backgrounding program. However, due to the extremely tough seasonal conditions they cannot be held through to target weights. They are pure Te Mania blood & show outstanding temperament. Although the bottom end is quite light, they are very healthy steers that will absolutely bounce if shown the correct nutrition. Drenched with DMAX, vaccinated with Multimin & treated with Coopers Easy Dose, all health treatments have been taken care of.
