| Assessor Comments  | Opportunity to purchase a good draft of store Heifers that are ready to perform. These Heifers are pregnancy tested undetectable but have been running with the Bull up until assessment. Heifers that were purchased out of the south as weaners from reputable breeding programmes. These Heifers have had their first calves weaned of the 3 months ago and endured the cold New England winter and are ready to hit a bit of feed and put on weight quickly. |                                           |                                     |
| Assessor           | Tom Piddington (Level 2 Accredited)                                                                                                                                                                                                                                                                                                                                                                                                                              |                                           |                                     |
