Temperament

Yards	Crush	Paddock
Quiet: 19 head	Quiet: 19 head	Temperament not assessed in Paddock

Exceptionally quiet young females to handle. Yards were currently under construction, and missing the odd panel/gate, despite this, heifers were very easy to draft off their calves and move through the yards. Some showed a bit of hesitation at the race, understandably, since being preg tested just 3 day prior.

	Traits
1 Head	Slight Rubbing (recently de-loused, should clear shortly)
2 Head	White Splash on flank

Assessor Comments

Exceptional line of very placid natured Heifers & Calves. Pure Banquet blood & bred by the renowned Grandamier Angus. Lovely soft faced, gentle young Heifers that have not been overly spoilt through the tough Autumn/Winter but are going forward with the recent warmer weather on fresh pastures & have a healthy shine coming off their backs. These heifers displayed excellent fertility with all calving in a tight 5 week period giving the successful purchaser an even drop of calves to take forward. Heifers are putting everything in to their bright eyed, fresh, demanding poddies. These 215kg calves are by Adameluca Angus sires, and have never seen a tough day or missed a feed. An ideal lot of very quiet young females that have all the hard work behind them, been given all the animal health treatments & have been re-dep back to the Table Top Angus sire R81 ($10K sire at sale) giving the potential buyer a 3in1 package (1 Heifer ND)
