Assessor Comments: A handy draft of 110 backgounder heifers. Russell Pastoral cattle have a big reputation for weight gain and carcass quality, a commercial draft of last years steers placing highly the RNA paddock to palate competition with close to 3kgs a day weight gain in the feedlot and champion carcass. These cattle are only being sold to make way for more of the vendors annual weaner turnoff. Huge compensatory weight gain for grassed up buyer. 3 slight old blue eye scarring. Buyers please note: Extended Payment Term available on this lot, of sale price + 5% payable in 150 days. Settling Agent to gain approval prior to sale.
