Assessor Comments	A lovely B double of Angus vendor bred females that have great shape and weight for age. These heifers are ideal breeders with some of the best angus genetics used on the Dam and Sire side, with a number of these females being out of Texas Angus females and many renowned commercial bred angus herds put together over the last 4 years this being the cow base. These females are out of bulls like Millah Murrah Paratrooper, Texas Bonus and the rest being buy high indexing Texas angus bulls. Please Note : Odd blue eye noticed at assessment - not considered detrimental. Some animals with seasonal ringworm, and some Bathurst burr in coat. Vendor has another b double of females in this same sale at the same location.
