Temperament

Yards	Crush	Paddock
Quiet: 8 head Slightly Stirry: 1 head	Slightly Stirry: 9 head	Temperament not assessed in Paddock

Heifers flowed nice and calm through the yards, most heifers stirred when caught in head bail to mouth, however, once released back into the mob settled quickly. Generally heifers were a pleasure to handle.

Handled With: Bikes , Dogs

Assessor Comments: A good quality line of Angus X heifers bred on lighter traprock country. These heifers would suit feedlotters or anyone wanting to replenish their breeder herds. These heifers have been bred for harshness on lighter country so should have no

	dramas performing for potential buyers.
