Assessor Comments	A good quality line of vendor bred Angus X Angus weaner steers that rising 12 months, bred from good quality Angus cows and were sired by very good quality Dulverton Angus bulls. Steers present in good condition that are just starting to shine up. Steers have had a great start being on a oat crop and are really starting to move forward, Perfect articles for backgrounding for the feeder market. Steers are also Grass Fed and Antibiotic free that will suit any one that wanted to finish them on grass for the domestic or export markets as well. Please see another smaller line of Angus cross steers from the same vendor in this same sale. With the season just about to fire don't miss this line of steers that will suit all Angus end markets.
