Handled With

Vendor spends alot of time handling his cattle, these steers worked through the yards relatively easily

Bikes , Dogs

Assessor Comments

A small line of vendor bred steers, sired by the Angus & small portion by limousin Bulls, Steers have been yarded weaned

and are currently improving with the season and have more frame than the weight represents. Steers were early weaned and have been well handled. Steers show sound confirmation and should continue to grow well given the right opportunity Steers are grass fed and Antibiotic free
