Assessor Comments Angus and Angus x heifers that are starting to clean up in the coat and power ahead. Heifers were purchased as weaners and backgrounded in the upper hunter where conditions have been favorable so heifers should go forward and perform if

	given the opportunity. Heifers were weighed out over 310kg @ Assessment. lighter heifers removed. There would be a very nice draft of these heifers that would make ideal breeders. 2 heifers have 1 blue spot in 1 eye.
