Cattle were very good to handle in the yards. A few stirred up on weighing platform, but settled once back together.

Assessor Comments	A very good line of EU Accredited Angus and Angus X steers, all sired by Stud KO Angus Bulls. These steers present in fresh forward condition, well grown for their age and have been well handled. Quiet temperament and still carrying their winter coat. Have had a Bovilis vaccination at assessment. Ideally would suit any backgrounding operation, or to fatten on crop for the supermarket trade. Majority 260 - 320kgs at assessment.
